ABOUT ACRYST

ACRYST is a premium manufacturing brand dedicated to designing high-quality engineered products for modern homes. We focus on innovation, durability, and refined aesthetics, creating designs that enhance everyday living while maintaining long-term performance. Our approach combines advanced materials, precision-crafted molds, and a commitment to consistent quality.

Every product reflects our core values—quality, design integrity, and customer-centric performance.With a vision to elevate functional spaces, ACRYST brings a sense of refinement and richness to every household.

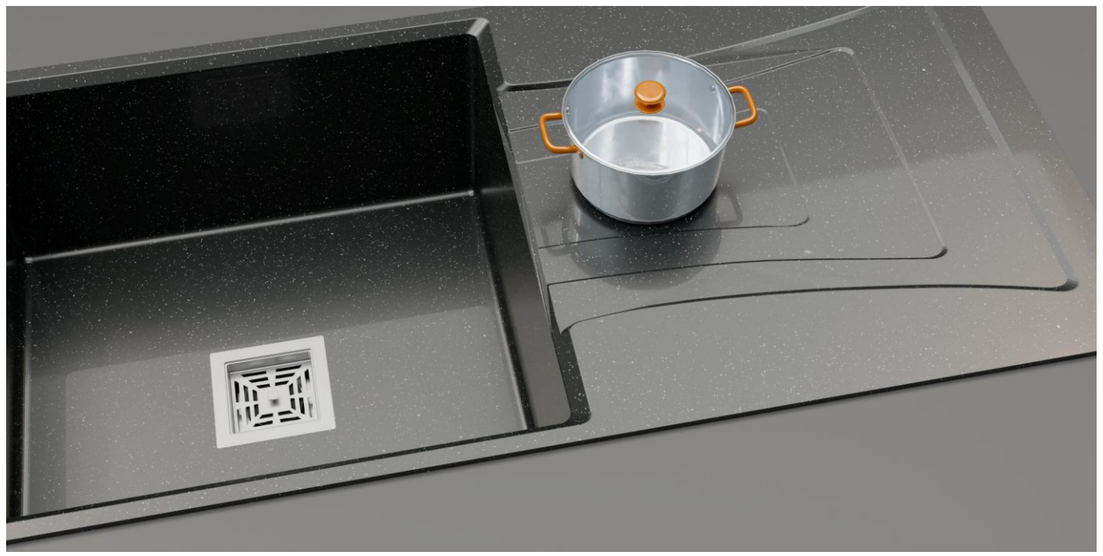

ACRYST | SINCE 1998.

DESIGN

At ACRYST, we believe beauty should always serve a purpose. True design isn't just about how a product looks—it's about how it performs in everyday life.Our approach blends advanced materials, precise engineering, and refined aesthetics to create sinks that elevate modern kitchens.

ARTIFICIAL MARBLE - EXCLUSIVE GLOSSY FINISH

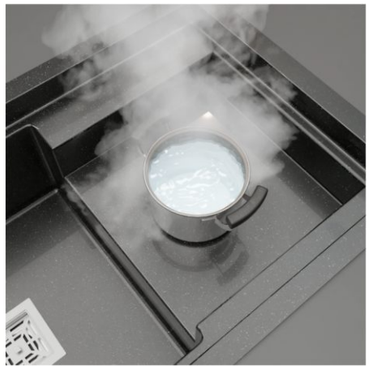

Our sinks are manufactured using a premium composite blend consisting of approximately 30% acrylic resin, marble powder, and specialized performance additives. The mixture is filled into high-precision molds and formed under controlled hydraulic pressure to achieve a dense, durable structure. The high-gloss surface finish is achieved through a higher proportion of acrylic resin in the formulation, ensuring superior shine and long-lasting aesthetic appeal..

KEY FEATURES OF ARTIFICIAL MARBLE KITCHEN SINK

SCRATCH RESISTANT

Built from a durable solid composite, these sinks are designed to resist everyday scratches and impacts, giving them a longer life.
